SACRIFICE

**

By TRIKSTER

If we break our

Solemn oath to humanityâ€|

There will be no light

At the end of the tunnel

No love in a broken heart,

No freedom after enslavement,

No peace after war,

No hope in despair.

No future for our children,

No truth in all the lies,

No innocence in the

The tainted soul.

There will be no sanity

In the insane world
And there will be no dawn
To release reality from
Irony's eternal night.
Thus we carry the burden
Of life upon our shoulders.
Fighting in silence
And condemning ourselves
To a merciless fate.

End
file.
